

HWu3a – Election of committee members for the year 2022 -2023

PLEASE READ THIS IMPORTANT NOTICE

The Constitution of the HWu3a calls for (not more than) 12 members to be appointed annually to the Executive Committee. The first election of members of the new HWu3a will be on Monday April 11th.

We are therefore urgently seeking a number of 'old' and 'new' nominations. A strong, viable committee is an essential part of the HWu3a structure. New appointees would be supported and encouraged to 'shadow' existing officers with a view to taking on their roles.
